Synopsis

Princesses Clara and Iris are at a party, celebrating the Royal Christmas Ball with their families. They are dancing with their friends and family around the tree. They are excited by the arrival of their fairy godmother, who brings with her life-size dancing dolls. Then she gives the princesses their Christmas gifts. Princess Clara receives a nutcracker doll. She is delighted, but Princess Iris grabs the doll and promptly breaks it. Princess Clara is heartbroken and begins to cry. Her fairy godmother fixes the doll and she is appeased. It's 10 o'clock, the guests have left. Everyone goes to bed but Princess Clara comes back after the lights go down to check on her doll.

As the clock strikes midnight strange things begin to happen. The Christmas tree begins to grow as Princess Clara watches in amazement. The toys around the tree come to life. The Minnie army fill the room, led by the Royal Queen Minnie. The Prince Nutcracker rushes to save Clara from the Royal Queen Minnie. He leads the Royal Battalion in a battle against the Minnie army. The Royal Queen Minnie corners the Prince Nutcracker and battles him one-on-one. The Prince Nutcracker seems to be no match for the Royal Queen Minnie. Princess Clara makes a final daring charge by throwing her slipper at the Royal Queen Minnie, hitting her square on the head. She collapses as the Minnie army mourn and flee the scene.

The Nutcracker turns into a Prince and takes Princess Clara on a journey to the Land of Snow, an enchanted forest wonderland, where they are welcomed by dancing Snow Fairies.

The Prince escorts Princess Clara to the Land of Sweets where they are greeted by the Sugar Plum Fairy. The Prince tells her about their daring battle with the army of Minnie and she rewards them with a celebration of dances. Chocolate, Coffee, Tea, Candy & Mother Ginger Bread. At the end of the dance, Princess Clara awakens from her dream. She is lying under the Christmas tree and next to her is her beloved Nutcracker.
